## What is the Economic Council?

The Erie Economic Council is a non-profit (501C6), public/private partnership dedicated to enhancing the economic well-being of the Erie area. Its board is comprised of employers, Erie Chamber of Commerce, members of the Board of Trustees or Town staff, and the community at large.

Realizing that Erie is in a prime location and commercial climate offering the best business opportunities available along the Colorado Front Range, the community has united itself through the Erie Economic Development Council to seek and welcome prospective business clients to the Erie Area.

## Mission

To enhance the economic well-being of the Erie area by supporting new and existing employers and providing services to keep the community informed.

## Service Territory

The planing area of Erie is 48 square miles, situated between Denver and Fort Collins from the north and south and Boulder to I-25 from the west to the east.

## What does investment in the Economic Development Council provide?

- Soliciting Primary Employers
- Networking with Key Contacts
- Assistance in Growing Existing Businesses
- Promotion & Prospect Referral
- Resource for Maintaining Statistical Information
- Site Selection Assistance
- Community Involvement
- Communication/Public Relations
- Investment in Erie's Future

## Our EDC Partners
